Colorado Springs Firm Sears & Swanson, P.C. Selects Get Noticed Get Found to Manage Online Presence

[Colorado Springs, CO] – Consumers are increasingly using the Internet’s vast resources to find and compare services. In response, a growing number of legal firms are turning to the web to meet potential clients where they are.

Facts back up this trend. A recent American Express Open Small Business Search Marketing Survey [<http://www.openforum.com/idea-hub/topics/marketing/article/small-business-search-marketing-survey-1>] found: "Among small businesses who conduct some form of online marketing, two-thirds (66%) say that new customers find them through search engines/Internet, compared to 82% who say word of mouth is still the main source where new customers find them."

[<http://searsswanson.com>] Sears & Swanson, P.C., a legal firm in Colorado Springs, Colorado, will better serve and reach clients with first-class web service. The firm selected [<http://gngf.com/>] Get Noticed Get Found to manage its Internet presence.

"Sears & Swanson, P.C. is proud to be known as Colorado’s premier law firm. To better serve our clients and maintain that reputation, we decided to update our web presence. With our new site, we are now more accessible to everyone across the state," said Lance Sears, personal injury lawyer at Sears & Swanson, P.C.
